# 8 DAYS Greek Islands

Visiting Athens, Mykonos, and Santorini

## Day 1

### Arrive in Athens

On arrival in Athens, you will be met and transferred to your hotel. In the evening you may enjoy the optional "Athens by Night" tour.

**Overnight in Athens.**

## Day 2

### Athens City Tour with Acropolis + Cape Sounion

Pick up in the morning from your hotel.

From the Acropolis to Omonoia Square, you'll see with this full day trip all the famous sites of ancient and modern Athens. Offering a perfect overview of the modern city, this guided tour will help you get your bearings if this is your first visit to Athens.

The Athens full-day tour departs for a photo stop at Panathenaic Stadium where the first Olympic Games took place in 1896. Afterwards, stop by Zappeion and Temple of Olympian Zeus. You will then drive past the Athens Trilogy which includes the University of Athens, the Academy of Athens, and the National Library. Continue passing by National Garden, Hadrian's Arc, St. Paul's Church, Parliament, Tomb of the Unknown Soldier, Schliemann's House (Numismatic Museum), Catholic Cathedral, Old Parliament, Constitution Square, Russian Orthodox Church, and finally the Acropolis.

Continue the guided sightseeing tour and Acropolis museum one-day tour with a pleasant short walk passing by Herodion and Dionysus Theater, in order to visit the Acropolis Museum. Skip the lines and see the main attractions which include votives, statues from the archaic period, Caryatids, and the Parthenon hall with the metopes, the pediments, and the frieze.

After a morning tour, continue to a local restaurant under the slopes of the Acropolis for lunch. After lunch depart for a wonderful drive along the scenic coastal road which affords a splendid view of the Saronic Gulf, passing through some of Athens' most beautiful suburbs (Glyfada, Vouliagmeni, Varkiza) to Cape Sounion. Cape Sounion is only 45 miles (70 kilometers) from Athens, making it the perfect destination for a lazy afternoon tour. The Cape's Temple of Poseidon is perched on a rocky hilltop overlooking the sea. The view across the Aegean is magnificent with one of the most breathtaking panoramic views in the world, extending all the way to Kea and the Peloponnese on a clear day. The Temple of Poseidon was built in 44 B.C., and many of its original Doric columns are still standing. One of the columns has graffiti left by none other than Lord Byron in the early 1800s. The precipice is a sheer 197-foot drop to the sea.

Return to your hotel late in the afternoon.
